

NATALIE QUICK, PRESIDENT AND CEO

Providing counsel, strategy and guiding implementation for high-profile, complex projects is at the heart of the work Natalie has advanced during her 11-year tenure in the public relations / public affairs field.

She has led community outreach, media counsel and public affairs strategy for public and private sector clients throughout Seattle and the greater Puget Sound region. For more than a decade, she has led strategic engagement on behalf of her clients with neighborhood advocates, labor leaders, civic groups, transportation, land use and pedestrian advocates, business groups, freight mobility / industrial groups and elected officials.

Natalie is adept at bringing groups together who may not otherwise agree, helps them find common ground and successfully creates opportunities for dialogue toward solutions. She is sought after for her straightforward counsel, problem solving approach and media savvy, helping clients successfully navigate through the maze of public process, communications and political environments associated with a given project.

Her work has included providing strategy and delivering exceptional results for the City of Seattle's Central Waterfront redevelopment project, Seattle Streetcar (South Lake Union and First Hill lines), the Washington State Major League Baseball Stadium Public Facilities District, Swedish Medical Center, the Urban Land Institute, City of Bellevue, City of Seattle, Plum Creek, Equity Office Properties, Amgen, City of Kent, Seattle Children's, Virginia Mason, Roosevelt Development Group, AIA Seattle, League of Education Voters, Meydenbauer Center, Port of Seattle, Quadrant, Sound Transit, Olympic Medical Center, and Safeway, to name a few.

Raised in Puyallup, Natalie attended Western Washington University, where she served an appointment by former Gov. Gary Locke to the university's Board of Trustees. She is an active board member of Forterra (formerly Cascade Land Conservancy), CASE political action committee (affiliated with the Seattle Metro Chamber) and Leadership for Great Neighborhoods. She is also a graduate of the MIT-Harvard Public Disputes Program, a facet of the Program on Negotiation at Harvard Law School. At age 29, Natalie was named one of the Puget Sound Business Journal's "40 Under 40" and more recently served as a judge for the event.
